EXPERIENCE

Graphic Designer

Office Inspirations | United Arab Emirates

June 2025 - Present

- Data-Driven Growth: Increased account visibility by 640% and website visibility by 146% through strategic design, content, UI/UX, and SEO.
- Audience Growth: Increased follower-driven engagement from 35% to 68%, strengthening audience retention and brand loyalty.
- Lead Generation: Designed social media and website funnels to convert audience engagement into measurable leads.
- Multi-Channel Design: Created cohesive visual identities across social media, websites, and large-format branding.
- Content Creation: Produced creative, AI-assisted visuals and illustrations that strengthened brand presence and partner visibility.

Digital Marketing

Nordic Home Healthcare | United Arab Emirates

February 2024 - June 2024

- Developed SEO-focused blogs and keyword strategies to improve online visibility.
- Designed brochures, flyers, and recruitment graphics.
- Rebuilt and optimised the website for usability, functionality, and SEO.
- Managed digital marketing contracts through ZOHO.
- Trained staff on ZOHO navigation and applications.
- Presented digital marketing, analytics, and ZOHO insights to the team.
